Jamshid Shirani, M.D

*Director, Cardiovascular Fellowship Program
Director, Advanced Non-Invasive Cardiac Imaging
Fellowship
Geisinger Health System
Danville, PA*

***"Reverse Remodeling: What Is and Why
Should We Care?"***

Objectives

1. To define the role of left ventricular remodeling in myocardial disease progression
2. To explain evidence for the significance of left ventricular remodeling as a target for treatment of heart failure
3. To outline the current efforts to identify novel imaging targets for the evaluation of left ventricular remodeling.

Accreditation: Virginia Commonwealth University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license

Designation: VCU designates this educational activity for a maximum of 1 AMA PRA Category 1 credit™. Physicians should only claim credit commensurate with the extent of their participation in this activity.

This continuing education activity meets the criteria of Virginia Commonwealth University and the Southern Association of Colleges and Schools. .1 CEUs will be awarded and recorded with the University

ADA/EEO Statement: Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran=s status, political affiliation or disability. If special accommodations are needed, please contact Joan Smith at (804)628-0713.
