

**Division of Cardiology - Cardiac Catheterization Conference**

**October 2009**

**Thursdays - 8:00 - 9:00 am**

**Hospital Cafeteria Annex - 1st Floor, Main Hospital**

- 10/1            **Speaker**            **Dr. Robert Bonow**  
                                 **Chief, Division of Cardiology**  
                                 **Northwestern University Feinberg School of Medicine**  
                                 **Northwest Memorial Hospital**  
                                 **Chicago, IL**
- Topic:**            **"Multimodality Cardiac Imaging: Opportunities & Challenges"**
- Objectives:**
- To recognize the growth in cardiovascular imaging despite lack of evidence-base demonstrating improved outcomes
  - To explain issues related to screening of asymptomatic patients with imaging strategies
  - To identify development of current appropriate use criteria for cardiac imaging.
- 10/8            **Case Presentation by Cardiology Fellows - Dr. Ranjith Shetty**
- Objectives:**
- X To review specific clinical invasive cardiology patient problems
  - X To review current literature relevant to clinical problems
  - X To correlate noninvasive tests, ECG, echo with invasive cath data
  - X To interact with cardiac surgeons and cardiology faculty relative to clinical decision making
- 10/15            **Case Presentation by Cardiology Fellows - Dr. Andrew Binder**
- Objectives:**
- X To review specific clinical invasive cardiology patient problems
  - X To review current literature relevant to clinical problems
  - X To correlate noninvasive tests, ECG, echo with invasive cath data
  - X To interact with cardiac surgeons and cardiology faculty relative to clinical decision making
- 10/22            **Case Presentation by Cardiology Fellows - Dr. Pritam Polkampally**
- Objectives:**
- X To review specific clinical invasive cardiology patient problems
  - X To review current literature relevant to clinical problems
  - X To correlate noninvasive tests, ECG, echo with invasive cath data
  - X To interact with cardiac surgeons and cardiology faculty relative to clinical decision making
- 10/29            **Case Presentation by Cardiology Fellows - Dr. Darryn Appleton**
- Objectives:**
- X To review specific clinical invasive cardiology patient problems
  - X To review current literature relevant to clinical problems
  - X To correlate noninvasive tests, ECG, echo with invasive cath data
  - X To interact with cardiac surgeons and cardiology faculty relative to clinical decision making

**Accreditation:** The School of Medicine, Virginia Commonwealth University, Medical College of Virginia Campus (VCU) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians May claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license  
**Designation:** VCU designates this educational activity for a maximum of 1 hour of category 1 credits toward the AMA Physician=s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the activity.

This continuing education activity meets the criteria of Virginia Commonwealth University and the Southern Association of Colleges and Schools. .1 CEUs will be awarded and recorded with the University

**ADA/EEO Statement:** Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran=s status, political affiliation or disability. If special accommodations are needed, please contact Joan Smith at (804)628-0713.
